### Benefits of Affiliation

Many of your students may be already attending **Tickets N Trips** online programs as independent students. By becoming an Affiliate, your institution and students will benefit from a variety of advantages.

**Enhanced Internal teaching Programs:** Your institution can enrich its portfolio of study programs in Travel trade. The affiliation agreement is simple, non-binding and requires no additional commitment from the home institution. **Special Tuition Rates and Scholarships:** Discounted tuition rates and scholarships are available for **Tickets N Trips** affiliates.

**Direct Billing Arrangements:** **Tickets N Trips** will arrange for the invoicing of your students and/or your institution, customized to your requirements and preferences.

**Dedicated Student Services & Academic Relations:** Your institution will benefit from our friendly and knowledgeable support staff.
